To Whom It May Concern:

The purpose of this correspondence is to recommend Lady Bug Landscape Services to you or to your place of business.

Jacky DeSantis and her team have provided exemplary service to the hotel, attached office building and adjacent parking structure over the three years that I have been the General Manager of the property.

Jacky's team is detail oriented and they do not cut corners, as they simply do not want to put their name on a mediocre project. No matter how large or small the scope of work, Lady Bug is willing to jump to action to complete the project within the timeframe that is requested.

Please do not hesitate to contact me directly at the above telephone number with questions, as I know that Lady Bug Landscape Services is the right choice for you.

Sincerely,

Jason L. Mueller
General Manager
