Lake Park, FL 33403-2138

Dear Jacky & Randy:

I want to take this opportunity to thank you for the excellent care Ladybug Landscape Services has provided to Gardens Presbyterian Church during the past 4 ½ years. Our campus has never looked better. Your management staff has been quick to respond as well as cooperative with any question, be it financial or service oriented. Also your work crews are efficient and always remove all landscape debris, leaving our campus neat and clean. A very special thank you to your crews for the way in which they cleaned up the hurricane debris and repaired our bushes and trees very soon after the damage occurred. It is evident that your company strives for customer satisfaction. Please do not hesitate to use Gardens Presbyterian Church as a reference for your services.
