Dear Lady Bug Nursery and Randy,

Thank you so much for the beautiful Royal Poinciana tree that you donated to our school. The tree will replace a tree that was destroyed by the hurricane. This tree was planted as a memorial in honor of a child's mother who passed away in January. The child was delighted to see the new tree. Thank you very much for your donation and for making a little child so happy.

Sincerely,

Marilyn Weisgerber, Principal
